**OFFICE MEMORANDUM**

Date: July 22, 2002

To: Addressees

From: Timothy J. Method  
Deputy Commissioner

Subject: Water Quality Rules, Triennial Review and Related Topics policy discussion.

I greatly appreciated the Triennial session on June 24, 2002. Based on the good discussion from that meeting, our staff has prepared minutes for the meeting and a document summarizing some of the key issues we discussed.

Attached are these documents. We hope they will help you prepare for our next meeting to be held:

Thursday, August 15, 2002  
Indiana Department of Environmental Management  
2525 North Shadeland Avenue  
Indianapolis, Indiana  
Conference Room C  
9:00am to Noon E.S.T.

At our August 15 meeting, we hope to identify the key issues that should be addressed in the triennial review and group the issues based on priority and on appropriate timeframe for developing a rule proposal. We also hope to identify the appropriate process for each issue or group of issues.

Please give me a call if you would like to discuss any of these changes in the coming week. I can be reached at (317) 233-3706 or at [tmethod@dem.state.in.us](mailto:tmethod@dem.state.in.us) or contact Mary Ellen Gray at (317) 233-2550 or at [mgray@dem.state.in.us](mailto:mgray@dem.state.in.us).
